PROGRAM

DAILY SKI TOUR

In order to always have the most beautiful snow and the ideal tour for you, we adapt our weekly program to the conditions. Together we drive to the starting point in the valley or on one of the surrounding passes. Before leaving, the mountain guide checks all avalanche transceivers. The tour is done in a comfortable and steady rhythm. The length and difficulty of the tour can be seen in the **weekly program**. On the peaks we enjoy wonderful views and look forward to the thrilling descents.
